

Message from Nominating Committee

NC (Nominating Committee):

Marco Ceccarelli (Italy) – Chair (ex-officio) and members: Joseph Rooney (UK), Carlos Lopez-Cajun (Mexico), Teun Koetsier (Netherlands), Bahram Ravani (USA).

The NC has started the activity in 2012 through email and telemeeting, mainly on bilateral contacts with the chair. All the members have contributed to the works of NC.

The procedure has been considered and confirmed as in the current IFToMM Constitution and by-Laws.

In particular it has been considered suitable to make a form for a clear nomination that can help to outline the characters of nominees.

Then in 2013, the NC has worked to prepare the Call for nominations that has been published in June 2013 both in the IFToMM web page and through email message to all IFToMM officers.

The collection of nominations is undergoing and it has been scheduled with deadline of 30 June 2015 in order to prepare the slate of nominee in the due advance for the IFToMM General Assembly that will be held during the 2015 WG in Taipei, China-Taipei.

The call and the form is attached as enclosure.
