

## NEWSLETTER OF GEORGIAN COMMITTEE OF IFToMM of 2009

Georgian Committee of IFToMM has been functioning in Georgia since 1998. Georgian scientists, by the scientific line of IFToMM, have published a lot of articles and scientific monographs since then. They participated in many international and Georgian scientific conferences.

In 2000 by the help of my personal activities, bilingual English and Russian (these are IFToMM languages) scientific journal "Problems of Applied Mechanics" was established.

By decision of the Executive Council of IFToMM (Italy, July 6-7, 2001) the Journal "Problems of Applied Mechanics", founded in June 23, 2000, is established as an official International Journal of IFToMM.

By decision of the Executive Council of IFToMM (August 30-31, 2003, Chicago) the journal has been named "Problems of Mechanics".

According to the Memorandum of Understanding among Journal Publisher, Editor-in-Chief and IFToMM pertaining to Journal "Problems of Mechanics" (December 22, 2008, Cassino, Italy) from the year it is an Official Journal of IFToMM.

During 2009 four issues of the journal were published. In the journals No 3(36)/2009 and No 4(37)/2009 besides the scientific papers, Newsletter of IFToMM were published.

In future for the revival of IFToMM Georgian Committee of IFToMM will actively continue close collaboration with IFToMM.

Chairman of Georgian Committee of IFToMM,

professor Nodar Davitashvili
